

Appalachian State University
Master of Science, Dietetic Internship
Evaluation and Verification by Preceptor

The following evaluation and verification process will be utilized for all learning experience that require 'Verification by Preceptor'. The dietetic intern must earn a score of 3 or higher in all areas to successfully complete the learning experience. If a 1 or 2 is met, the intern will need to work collaboratively with the preceptor and DI Director/Coordinator to resubmit the assignment.

Rating Scale Definitions

- 5 = Excellent.** Overall, very high-quality performance; exceeds expectations.
- 4 = Above Average.** Consistently above average and exceeds expectations
- 3 = Competent.** Satisfactory and overall acceptable for an entry-level dietitian
- 2 = Below Average.** Somewhat inconsistent information. Improvement needed.
- 1 = Poor.** Unacceptable. Much improvement needed to meet minimum standards.
